Set March 16 For Election On South School Addition

Saturday, March 16, from 12 noon to 7:00 p. m., at the Village Hall, has been designated by the Board of Education for a special election regarding the proposed addition to the South School. A resolution authorizing the election was adopted by the Board of Education at a special meeting on February 23, pursuant to a petition presented by voters of the district requesting that such an election be called.

The voters will be asked to approve two propositions:

1. To build an addition to the present South school.

2. To authorize the Board of Education to issue bonds in the amount of one hundred eighty-five thousand dollars at an interest rate not to exceed 2½% to finance the building project.

It is proposed by the Board of Education that the bonds be retired over a period of twenty years so that an excessive yearly burden will not be imposed upon the taxpayers and so that future property owners in the community may help bear the cost of these facilities. The Board estimates that the additional annual tax to pay the interest and retire these bonds will amount to about ten cents per hundred dollars of assessed valuation.

The proposed plan for the addition provides for a kindergarten room, four other classrooms, an auditorium-gymnasium, a multi-purpose room for cafeteria, music and visual education purposes, a library, administration offices, nurse's office, and teachers' room.

Steps to build an addition to this school had been taken by the Board of Education in 1941. However, the war made it impossible to go on with the project. The growth of the school since that time and the prospect of considerable growth in the immediate future makes it imperative that the district complete this addition now.

Arlington man to serve officially for Boy Scouts

At a meeting last Wednesday evening of the Commissioners of the Northwest Suburban Council the name of C. B. Jones was submitted as Assistant District Commissioner for Arlington Heights. Mr. Jones has been associated with Cubbing and Scouting in Arlington Heights for the last five years. He has served as Cubmaster, as a member of the Cub Pack committee and then moved into Scouting in 1945. As Commissioner, Mr. Jones will serve to coordinate the efforts of Pack 232 and Troops 7, 32 and 37.

Elmer Thorsen, Sr., who served with Mr. Cubley, will continue to serve with Mr. Jones. Mr. Thorsen has been in scouting over five years, having served as member of the Troop Committee and as Scoutmaster, making him particularly well qualified to work with scout troops.

\$15,000 homes take place of delinquency on 200 lots

The foreclosure sale of over 200 lots last week in Laudmont Terrace, Arlington Heights, will make possible a new building program of homes in the \$15,000 class. These lots are west and south of Scarsdale.

Next on the program are similar foreclosures of the James Subdivision in the northeast section of the town and Arlington Acres, which lies east of Stonegate.

The attorneys are Markman, Donovan & Sullivan, which have been instrumental in voluntary liquidation of considerable acreage in Arlington Heights. Conditions in the above three foreclosures were such that straight foreclosures were considered advisable.

Income tax office open Saturdays

Nigel D. Campbell, Collector of Internal Revenue, announced today that the office of the Collector in the U. S. Court House and all division offices, including Des Plaines, would be open Saturday, March 2 and Saturday, March 9, for the convenience of taxpayers who are unable to come in for income tax assistance during the week. The hours of service will be from 8:30 a. m. to 5:15 p. m.

MARCH WIND WHIRL

Arlington Heights Junior Woman's Club dance, the "March Wind Whirl", is to be held at Rolling Green Country Club on Rand rd., Saturday, March 2. Wally Hermes is going to furnish the music. Tickets are \$3.00 per couple, tax included.

Voters give OK to school tax rate

The voters of the high school district approved overwhelmingly to establish a new tax rate asked for by the Board of Education at the special election held last Saturday, February 23. This election was necessary to establish new rates that had been cut by the recently enacted Butler Bills.

In the two precincts established at Mt. Prospect and Arlington Heights, a total of 338 votes were cast. On the first proposition to establish a rate of 75c for educational purposes, the vote was 298 yes, 31 no. On the second proposition to establish a rate of 25c for building purposes, the vote was 291 yes, 27 no.

The Board of Education is very grateful for the support given it by the voters of the district. It will assure the high school that its educational program will not have to be curtailed, nor will it be handicapped to meet the necessary expansion of the school by increased school population, or demands made to expand the present studies offered at this time.

In the end, the children of the community will greatly benefit from the support given the school by parents and patrons.

Scouts get award at annual banquet

The Cub Scouts of Pack 232 held their annual Father and Son banquet Thursday night, February 21 and it was attended by a capacity crowd at the Lutheran school hall, Arlington Heights.

A very fine dinner was served and after dinner a show was put on in the auditorium where the boys were presented with awards for the wren houses they had made as their February project. These wren houses will be on display at the bank this coming week. As a reward for their fine workmanship the Cubs were presented with an adjustable sanding block by the project committee. Boys from all dens contributed, with Den 3 leading the pack by building 13 wren houses, 1 for each member of the den.

After the awards all were entertained by an enlightening talk on dog raising and training, and three dogs were put on exhibition to show exactly what can be done in the training of dogs.

After the banquet, Chas. Doel, leader of the speakers, outlined the need for additional dens in order to increase the Cub enrollment and also the need for additional fathers to handle and train these dens.

Those Cubs given awards are: Den 1—John Bruun, Daniel Young, Ernest Lindstrom, Robert Thompson, Jack Lee.

Den 2—Richard Fraser, Jimmy Lind-

U. S. navy recruiter visits in town

Lyle P. Stafford, CBM, USN, a U. S. Navy Recruiter, maintains office hours in the Village Hall 107 West Davis, Arlington Heights, 9:30 a. m. to 4:30 p. m. every Wednesday of each week. Information concerning enlistment in the peacetime navy, friendly advice and descriptive literature are available to all interested men of this sector between 17 and 30 years of age.

According to Chief Stafford, 17-year-olds may enlist in the United States Navy for 2 or 3 years, or until their 21st birthday; parental consent is required. Men 18 to 30 have a choice of a 2, 3, 4 or 6 year enlistment. They may make application any time prior to receiving notice to report for actual induction, even though they already may have taken a pre-induction physical examination.

Waste paper drive Saturday

Saturday is Waste Paper day for Arlington Heights. The Boy Scouts ask that the general public have their old newspapers, magazines, etc., on the curb as near eight o'clock as possible, when trucks will start the tour of all streets in the village.

The proceeds will go to the Boy Scouts and Arlington Heights Youth Center fund. Waste paper is needed by manufacturers. Its collection is another civic patriotic job being done by Arlington Heights scouts. A few minutes time in getting the paper from the individual home to the curb will help the cause of both the Scouts and the Youth Center.

Red Cross fund drive to open this Friday

Plans for the speediest fund campaign ever conducted by the Red Cross are well under way with organization of the captains and workers of the city and county communities divisions virtually completed and all set for the official opening.

The campaign in the Chicago area will officially open Friday night, March 1, when approximately 1500 leaders of the campaign will gather at the Stevens Hotel to receive their final instructions at the "kick-off" meeting. Among the speakers will be Harvey D. Gibson, national chairman of the fund campaign who will come from Washington, D. C. A well-known financier and philanthropist, Gibson is serving his first year as head of the national drive.

President Truman's proclamation released last week designating March as Red Cross month and calling upon the American public to aid it as an "indispensable humanitarian cause" is serving as an inspiration for all workers to complete their solicitations as soon as possible, and response from the general public to the solicitation is expected to be equally as gratifying, according to fund campaign leaders.

Arlington Heights

The drive for Arlington Hts. \$3,600 quota is being conducted under the leadership of Mrs. Donald Cox, 607 South Pine, Arlington Heights, 1946 Red Cross Fund Campaign Chairman. Mrs. Paul Gilson, 1305 N. Dunton, is general Red Cross Chairman in Arlington Heights.

Wheeling

The drive for Wheeling's \$750 quota is being conducted under the leadership of Miss Lucille Schneider, Wheeling, 1946 Red Cross Fund Campaign chairman. Miss Schneider is also General Red Cross chairman in Wheeling.

Township areas not included in other villages are a part of Wheeling Community Drive. Outlying chairmen are Mrs. Joseph Remsing, Forest River; Mrs. Louis Bornhoff, Mil. Ave., Sanders Rd., Winkelman Rd. triangle, Mrs. Paul Schroeder, Palatine Road and Mil. Ave. area, Mrs. Arthur Clesen, Hinz Rd. area, Mrs. Howard Bingham, west area of the township.

Benjamin dance this Saturday

A dance sponsored by the Benjamin Employee's Glee Club will be held Saturday evening, March 2nd, at 9 o'clock at the Eagles Hall in Des Plaines.

This singing group was organized last fall, and recently won the enthusiastic approval of a large audience at the Band Park Field House and was accepted as a most welcome addition to the many other fine music groups in the Northwest suburban area.

Arrangements for the dance, which promises to be a gala affair, are in the hands of a competent dance committee boasting the following members: John Schmidt, program chairman; Lois Suess, Walter Ladendorff and Bill Mollenhauer.

The versatile Bud Van Patten and orchestra will provide the dance music. Popular refreshments will be available and many surprises are in store for all who attend.

NAVY PW BUS HITS UNITED MOTOR COACH BUS AT MT. PROSPECT

A United Motor Coach bus, driven by Jack Scharringhausen, Des Plaines, was badly wrecked at 7:15 Saturday morning when northbound at Mt. Prospect. It was hit broadside by a navy bus filled with war prisoners, three of whom sustained slight injuries. The PW bus was traveling east on Central road and failed to heed the stop sign. A second navy bus came from Glenview to pick-up the prisoners, while the United Motor coach was able to move under its own power.

To hold Lenten services

Arlington Heights churches will observe Lent with special services Wednesday evenings. The first of these services will be held Wednesday evening, March 6. Announcement of the Wednesday evening services during the coming six weeks are:

Methodist Meeting House

The Sunday morning worship services during Lent of 1946 will center around the theme "Christ in Crises". Appropriate Lenten music has been prepared.

Wednesday evening meetings are held at 8 o'clock and include testimonies of healing.

St. John Evangelical and Reformed Church

The season of Lent this year finds us living in very momentous times—times in which widespread grief, heartache, suffering and sorrow—times in which many sins of a most vicious character are widely rampant—times in which men stand before decisions which are likely to give direction to civilization for generations and centuries to come. It is in times like these when we most need God's love, God's guidance and God's comforting grace and power.

I do not know anywhere where these can be found more immediately and more completely than in the Passion Story of our blessed Lord. And so, I hope that the Spirit of God will be with us in our Wednesday evening midweek and Sunday morning services and bless our meditation on the sufferings of Jesus Christ in such a way as to inspire and strengthen our faith, increase our love, deepen our understanding, and widen our spiritual horizons.

W. F. Kamphenkel, Pastor.

Further announcement of Lenten services will appear in a special half page announcement sponsored by forty local business men, starting next week.

1945 tax rates show increase

The villages of Arlington Hts., Wheeling and Mt. Prospect will receive no road and bridge taxes for the year 1945, the same as in 1944. No tax levy was filed last summer in behalf of the township road and bridge. The township does not need the money, but the financial departments of the villages are the losers as their appropriation ordinances included expected receipts from the municipal share of the road and bridge tax levy. The amount they will lose will be several thousand dollars.

Increased costs caused increased tax levies for 1945 which include county, village and school. A comparative table showing the new tax rates and the one of a year ago is given below:

ST. PETER LUTHERAN

Lutheran churches throughout the world will begin the observance of Lent in special services on Ash Wednesday, March 6. Lent is considered the climax of the program of worship during the church year, emphasizing the central teachings of Christianity on the significance of Christ's crucifixion and death and calling upon Christians for meditation, prayer and self denial.

St. Peter Lutheran church of Arlington Heights will also observe Lent in a special program of worship extending from Ash Wednesday to Easter. The congregation is stressing the importance of the Lenten theme in a full page ad in this issue of the Arlington Heights Herald. This is an invitation addressed to its members and guests to withdraw from the hectic struggle of life for a few moments of quiet meditation on the subject of human redemption.

The pastors of the church, L. V. Stephan and Harry C. Fricke, will alternate in preaching on the general theme "The Meaning of the Cross for Today". Following are the dates of the midweek Lenten services:

March 6: The Cross, a Symbol of Grace.

March 13: The Cross, a Mighty Magnet.

March 20: The Cross, a Lesson

Extend soft water service to all communities
There will be no more waiting for Soft Water Service in the Northwest area. That is the promise of Soft Water Service, Inc., of Arlington Heights. The firm is today servicing several hundred homes in the vicinity of Arlington Heights and is now ready to extend that service to all communities within a 25 mile radius of their Arlington office. This service is available to any home, business or commercial establishment that has running water. In this day and age it is unnecessary to tell the housewife or factory employe about the advantage of soft water. The big news to them is that soft water is available. A series of advertisements in this paper will cover the high points of their service.

of Sieburg's Pharmacy
"When the hounds of spring are on winter's traces," physical energies are apt to wane. Blustery weather may stimulate for a while, but there comes a time when you are more tired than you know and you speak of this feeling as "spring fever."
To meet change with change is a law of life. Now is the time to change your habits of diet, of exercise, to readjust to the change in climate.
First, a visit to your doctor. Let him recommend what changes seem important. Let him tell you what vitamins will restore that springing energy you seem to have lost.
The conscientious pharmacist stocks the best in vitamins and, remember, the best is what you must have for the best results.

Troop 2 of Girl Scouts one of more active units

Mrs. Wm. Keiser and others head group

Girl Scouts in the United States number approximately 1,200,000, and Arlington Heights has its percentage of active participants in this world wide movement.

One such group is Troop 2 which meets every Tuesday after school in St. Peter Evangelical Lutheran church, Highland ave. and the N. W. Highway. Its membership totals 25, with ages from 10 to 12 years.

Activities are planned by the troop leader, Mrs. William Keiser, capably assisted by her troop committee which consists of Mrs. Arthur Blaschke, Mrs. Werner Rindlsbacher and Mrs. Alfred Sander, and the assistant troop leader, Mrs. G. H. Wilke. It is with much regret that these workers speak of Mrs. Wilke's departure for California in the near future.

When questioned, Mrs. Keiser explained that she and the committee members take turns with managing the weekly meetings. This method has proved to be satisfactory, as attendance is good and enthusiasm high. The girls have had instruction in knitting in addition to other things.

Myrna, age 10, is Mrs. Keiser's only daughter, and she is an active Girl Scout and a pupil of St. Peter's Lutheran Day School.

One of Mrs. Keiser's chief interests is music, with emphasis on the dulcet tones of the violin. Symphony concerts are one of her favorite musical treats, and both Mr. and Mrs. Keiser are fond of listening to opera, particularly when the singers of their preference are in the cast.

A sincere love for children has been evident in Mrs. Keiser's pattern for living. She has taught in Sunday school for twenty years, and has enjoyed every bit of it, she added. Working with children is one effort which shows results, Mrs. Keiser believes. She enjoys contact with their flexible minds before the complexities of later years warp the viewpoint.

Helping youngsters to become adjusted and balanced adults is a means toward world stabilization, Mrs. Keiser stated, adding that this will have to be one of our hopes for the future.

The National Girl Scouting program stresses especially the need for creating and maintaining intercultural projects and world friendships, thus building toward better international understanding. With this, Mrs. Keiser heartily agrees.

The Keisers live at 514 N. State Road.

Presbyterian ladies sew for Europe's needy

The ladies of the Arlington Hts. Presbyterian church, who have their first sewing for the benefit of the American Friends Service Committee today, Thursday, at the church from 10 o'clock until 4 p. m. Mrs. Albert E. Goldthwaite is in charge of the organizing of this work which will include collecting of clothing to be mended or made over for suitable wear. (All garments that are washable should be clean when donated. Arrangements have been made to dry-clean woollens, etc., through the courtesy of the Park Lane Laundry and Dry Cleaners.)

The American Friends Service Committee, the service arm of the Society of Friends (commonly known as the Quakers), was organized in 1917 "to do for all men what they would do for a friend. In helping to rehabilitate Europe they have not stopped with the giving of food and clothing, but have helped to replant the soil, rebuild homes and in various other ways plant the seeds of good will.

Ramblers whip Wheeling, 45-38

The Arlington Ramblers after being idle for three weeks came roaring back Friday to down a scrappy Wheeling team.

The Ramblers looked much better with their new pivot man Becker back from the service. His rebounding and feeding helped greatly to defeat the home team.

After a very slow first quarter the Ramblers gained momentum to lead at half time 23-10.

High point man for Arlington was Jim Millay with sixteen points. Tom Kourous led Wheeling with twelve.

Tuesday the Ramblers play in an invitational tournament at Lake Forest Young Men's Club. As their opponent they drew Highwood. If they win the boys must play again Thursday the 28th and again Saturday, March 2nd. Watch for the score so that you may come up and cheer the boys on if they win the first game.

Mr. and Mrs. Walter Schilling, 1222 N. Belmont ave., entertained at a family party Feb. 21 in honor of their fifth wedding anniversary.

The return of four sons — two from the army and two from the navy — is cause for jubilation, thought Mr. and Mrs. Fred Kehe, 723 North Highland, Arlington Heights. They were so happy over the safe return of the four that Mr. and Mrs. Kehe decided to forego a planned trip to California and it was a big family gathering held in honor of Walter, Melvin, Arthur and Fred (shown above in order named), that the above picture was snapped. Shown in the center are Mr. and Mrs. Kehe, whom the boys think are about the best pa and ma in the United States. The four boys received their discharges within three months of each other.

Fred Kehes celebrate return of four GI sons

Fifty guests were present at a dinner given by Mr. and Mrs. Fred Kehe on Saturday evening, February 2, in honor of the recent return from service of their four sons, Arthur, Melvin, Fred and Walter. The dinner was held in the recreation room of the Kehe home, 723 N. Highland ave., Arlington Heights.

Ray Kehe, uncle of the boys, presided as toastmaster. Responses were given by the four Kehe brothers, also Wilbert Becker, Mel Laseke of Arlington Hts., Elroy Kerschke of Kankakee and Arthur Krohn, Chicago, who have recently returned from service. The Kehe boys have all seen overseas service.

Arthur Kehe was stationed with the Seabees in the Philippines and China, arriving home in December.

Melvin Kehe served in the army four and three quarters years, participating in battles in France and Germany. He arrived home on terminal leave in December.

Fred Kehe, aboard the escort carrier USS Hoggatt Bay, saw action in five major campaigns in the Pacific plus six months anti-submarine warfare. He was given his discharge at Great Lakes in November.

Walter Kehe enlisted in the army in 1940. He spent the past two years in China. He received his discharge in October.

Mr. and Mrs. Erwin Jiran, 214 N. Evergreen ave. are parents of a baby girl born Saturday at the Northwestern hospital, Des Plaines.

'Up and Doing' 4-H club to meet

Up and Doing 4-H girls club, Elk Grove Township, closed a successful year with four parties held through the last six months following the "party a month" plan.

The first party was held at the home of Marilyn Busse. The second, a Halloween costume party, was held at the home of Carol Busse. The third, a Christmas party was held at the home of Betty Linneman. The fourth, a birthday party dedicated to the girls' birthdays, was held at the home of Delilah Deeke Feb. 22. Games and a lovely birthday were enjoyed. Four girls in the club have birthdays in February.

Organization meeting for 1946 will be held in April. Any girl between ten and twenty, if interested, is welcome to come to the meeting.

Welcome club program Thursday

The Welcome Club of the Arlington Heights Lutheran church is sponsoring a Mission Endeavor program Thursday, February 28, at 1:30 o'clock on the regular meeting day.

A dessert luncheon will be served. All members of all organizations of the church are urged to attend.

This will be a very interesting mission program. Special music will be offered by the children's choir. Solo selections will be sung by Miss Florence Lunning and Miss Ruth Karstens.

OES notes

Arlington Heights Chapter No. 992 O. E. S. will hold a stated meeting February 28. There will be a special birthday table for members who have birthdays in December, January and February.

The "33" club will meet with Marie C. Muller March 1.

Host to 500 club

Mrs. Ray Wilke, S. Ridge ave., Arlington Heights, entertained the 500 Club at luncheon and cards Tuesday, February 19. Mrs. E. K. Ladd of Half Day was the birthday guest.

Prizes were won by Mrs. Albert Kost, Mrs. Arthur Borgeson of Evanston and Mrs. E. K. Ladd of Half Day.

Engaged

Mr. and Mrs. Arthur Welch of Arlington Heights announce the engagement of their daughter, Joyce Frances, to Loren H. Marchman of Nebraska.

Fashion expert at Woman's club

One of the outstanding programs of the year for the Arlington Heights Woman's Club will be presented at the meeting on Wednesday, March 6, at 1:30 p. m. at the fieldhouse.

The program will be given by Sgt. Rex Hogan, who served many months at the front in the South Pacific and has a medical discharge from the army.

Sgt. Hogan's program is entitled "They Sing in the South Pacific." He not only tells many stories of the Lands Down Under, but also sings many of the songs our boys have enjoyed singing as they fought for freedom.

Prior to his induction, Mr. Hogan was director of music in a large Illinois school and achieved success both as a teacher and as a singer with his fine baritone voice.

While in service he sang for his comrades both in the hospitals and right in the lines. He also sang many times over the national hookup of the Australian Broadcasting Corporation.

Members are again reminded of the call of the Art Department for materials to be used in the arts and crafts classes in the rehabilitation of men in army and navy hospitals. Among the items requested are pieces of knitting yarn over a yard long, old sweaters to be unraveled, beads of all sizes, drawing and painting supplies, sewing and knitting needles, crochet hooks, scissors, old tooth brush handles, clean rags for

St. James Young People

The next meeting of the Arlington Heights St. James Young Peoples Club will be held Tuesday evening, March 5, at eight o'clock in the St. James school hall.

There will be a brief business meeting followed by an evening of dancing and refreshments.

All young people of the parish are urged to come and enjoy themselves.

Attend national meeting

Mrs. W. F. Kamphenkel left Sunday for Cleveland, Ohio, where she will attend the meeting of the Finance Committee of the National Woman's Club of the Evangelical and Reformed church. On Wednesday she will be a guest at the luncheon of the National Board of Directors. All meetings are scheduled to be held at the Hotel Cleveland.

Legion auxiliary

Merle Guild Unit, No. 208, the American Legion Auxiliary, will meet at legion hall at 12:30 o'clock Tuesday, March 5, for a potluck luncheon and social afternoon.

The Cook County Council meeting will be Friday, March 1.

Return home

Mr. and Mrs. Norman Gaare returned last Wednesday from Beeville, Texas. Norman was discharged February 11 at Corpus Christi, Texas, after which

they took a trip to Old Mexico. They are now residing with her parents, Mr. and Mrs. Fred Gieske in Arlington Heights. Norman Gaare will be employed at the Gaare Oil Co., Palatine.

MANY MEN NEED GLASSES

Shower guest

A shower was given for Mrs. Elmer Jonas (nee Rose Chabreck) Saturday at their home in Arlington Heights. Those who attended were Mr. and Mrs. Joseph Chabreck, Mr. and Mrs. Leo Groat and son, Mr. and Mrs. Raymond Groat and daughter, Mr. and Mrs. Clarence Jonas, Mr. and Mrs. Herbert Gerschelske, Mr. and Mrs. Wesley Feldten, Miss Eleanor Jonas and Mrs. Ida Jonas.

To be married this Saturday

Mr. and Mrs. Fred Buchholz, Arlington Heights, announce the coming marriage of their daughter, Marie Buchholz, to Richard Thayer of Jacksonville, Florida, Saturday afternoon, March 2, at 3:00 o'clock in the St. Thomas church, Chicago.

Olga Harting, weds Michael Chabreck

Mrs. Olga Harting and Michael Chabreck, both of Arlington Heights, were united in marriage Saturday afternoon, February 16 in the Arlington Heights St. Peter Lutheran church. The ceremony took place at 2:00 o'clock, the Rev. L. V. Stephan officiating.

The bride chose for her wedding a light blue suit with which she wore a corsage of pink and white carnations.

Mrs. Harry Pohlman, sister of the bride, served as matron of honor. She was dressed in a navy blue and white two piece dress and wore a white carnation corsage.

Clarence Jones, brother-in-law of the groom, served as best man. Clark Wayne Harting, son of the bride, sang "The Lord is My Shepherd."

A wedding supper for the bridal party and immediate families was served at six o'clock at the home of the groom's parents, Mr. and Mrs. Joseph Chabreck, 416 E. Hawthorne st., Arlington Hts. A reception was held in the evening.

Mr. and Mrs. Michael Chabreck will reside at 112 W. Wing st., Arlington Heights.

Baptisms

Linda Frances Kovalick and Ronald Frank Kovalick, children of Mr. and Mrs. Joe Kovalick, Rand rd., Arlington Heights, were baptized February 21 at their home by the Rev. L. V. Stephan.

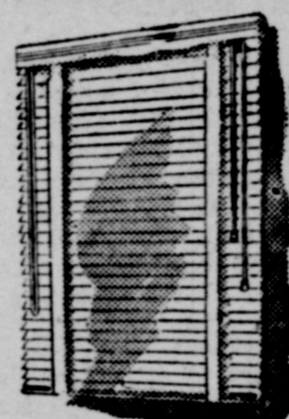

Linda Frances and Ronald Frank were born December 6, 1945 and August 17, 1943, respectively. Mr. and Mrs. J. Kovalick of Canada were witnesses to the ceremony.

The infant daughter of Mr. and Mrs. Wilfred Wille, 625 S. Highland ave., Arlington Heights, was baptized Nancy Jean at the Sunday morning service, February 24, in the St. Peter Lutheran church. The Rev. L. V. Stephan officiated at the service. Nancy Jean was born January 5, 1946. Miss Leona Weide, Lorraine Sander, Mrs. Otto Stier and Mrs. Conrad Wille were the sponsors.

MIRACLE TREES

That Bear

GIANT SIZE FRUITS

1 to 3 Years Sooner

Often pay back their entire tree cost before ordinary trees start to bear

Now you can plant marvelous new varieties of quick-bearing trees, specially selected and bred to bear years younger—trees that break traditions for size of fruit and bushels per tree—vigorous, sturdy young trees.

They are the cream of 130 years of Stark-Burbank fruit and tree improvements.

Our Government asks every family with available space to plant fruit trees. There is now a serious national fruit shortage. Many authorities predict that in years to come only those who grow their own fruit will be able to supply their table plentifully with the sugar-laden, health-giving, vitamin-filled fruits to which they have been accustomed. To be sure that your family has enough of this delicious and healthful food, grow your own delicious tree-ripened fruit supply.

Let me show you how you can plant now—enjoy delicious fruits amazingly soon—enrich the value of your property. See, telephone or write me. No obligation.

THE MAILMAN'S CORNER

A little fellow asked me a whopper of a question a few days ago.

"Mailman," he said. "Mother always tells me that I should tell the truth. What is truth?"

Well, truth should be easily enough defined. Webster says that truth is "harmony between thought and fact."

We had quite a talk, George and I. It seems that George had been warned never to say that Mrs. E. was ugly, when it was true that she was. And mother had told George to tell the truth, had she not?

Then there was the time when mother had told him that all of the cookies were gone, when they weren't at all. They had only been hidden, and not very well at that, because George had found them easily enough. And there was the time that father had told mother he didn't have a cent, when George had seen him, thinking himself unobserved, take a roll of bills out of his pocket suit and place it in his bill fold to take with him. So what was truth? Was it any different than a lie? Or were they the same thing?

I will confess that I could not answer truthfully. I could not tell George that his parents had lied. I tried to tell him the difference between a bare faced lie, and a little white lie, but failed miserably. Perhaps somewhere there is some one who can straighten this out for me. When is a lie not a lie?

I tried to explain to George that truth was what you really knew to be a fact. But there

were those bills in his father's pocket suit. There were the cookies. My definition was pretty lame, particularly when a fellow has chosen his own folks to serve as examples of virtue.

Today, George broached the subject to me again. Only this time, he had an answer.

"I think that truth is what we want the other person to believe," he said wisely.

I wish that I could have convinced George differently. What would you have said?

You'd be Proud, too

Questions on G. I. bill

Question: I am an Army separ- atee whose orders were to go from the port of debarkation to a separation center with my unit. However, before arriving at the separation center, my orders were changed, and I was sent to a different separation center. Mean- while, my duffel bag apparently was not re-routed. It has not ar- rived at the separation center where I now am. What can I do?

Answer: Send three letters, giving your full name, army serial number, organization, and any other pertinent information to:

1. The port where you landed.
2. The separation center to which you were first scheduled to report.
3. The Quartermaster Depot, Unclaimed Baggage Department, Kansas City, Mo.

Question: Must a veteran re- cord his discharge papers within a certain period of time after re- porting to his local Selective Ser- vice Board?

Answer: No. There is no time limit for recording discharges. It is perhaps best that the veteran keep his discharge until all im- mediate use for it—filling claims, etc.—is completed. Then, how- ever, he should record it at once in case the original is lost or destroyed.

Question: Must veterans and servicemen file tax returns on civilian taxable income for 1945?

Answer: Yes. Servicemen sta- tioned in the United States must file by March 15, 1946. Service- men returning from overseas have until the 15th day of the sixth month after their return.

Question: What sources of in- come are tax free for enlisted men and non-commissioned offi- cers?

Answer: Mustering out pay, gratuity pay, pensions, disability retiring pay, war risk insurance proceeds, active service pay and allowances for education or training under the G. I. Bill or Public Law 16.

Park Ridge opposes construction of 'vets' housing

Park Ridge city council has voted unanimously to oppose the Nth degree construction of a proposed veterans' housing project at Touhy ave., between Ozan- am and Overhill avenues, next to Park Ridge.

Chief objection is to the "slum type" of housing proposed. The homes are believed to be those rejected by the city of Evanston, Ind., because they were unsightly, unsafe and unsanitary for war workers. Authorities hope for a friendly settlement before con- struction begins and litigation starts.

Long Grove church to be enlarged and remodeled

The Long Grove church con- gregation voted in business ses- sion recently to enlarge, com- pletely remodel and modernize its church building. The building committee was authorized to en- gage an architect and proceed with the work as soon as pos- sible.

The present building will be moved back from the street and a vestibule will be added to the front of the church. A basement will be put underneath to pro- vide room for congregational fellowship and suppers. Class- rooms for the church school will be provided. The chancel and nave are to be redecorated.

It is hoped that the project can be finished by fall so that the congregation can celebrate its 100th anniversary in its beau- tiful new church home.

Shrine circus opens Saturday

Here's news to thrill every youngster and grownup alike in Chicago—the circus is coming to town! Beginning Friday, March 1, at the Medinah Temple Auditorium, Ohio and Wabash avenues, and continuing through Sunday, March 17, Medinah Temple will present their 4th annual Polack-Bros. Shrine Circus, featuring a modern streamlined one-ring show packed with entertainment, thrills and excitement lasting two and one-half hours.

There will be matinees daily (except Monday and Tuesday) at 2:30. On Saturdays two matinees will be given, the first at 1 p. m. and the second at 3 p. m. The evening show will start at 8:15. Tickets are now on sale at Medinah Temple and the Adam Hat Store, Madison and Dearborn, box office.

New subdivision seeks to buy water from Des Plaines

Developers of a 120-acre tract of farm land, formerly adjacent to the Maine township high school, have requested permission to buy water from the city of Des Plaines for the homes to be built in the future. The 400 homes will cost \$12,000 to \$18,000 and will receive water through block meters, with the development as- suming responsibility for main- tenance of all mains.

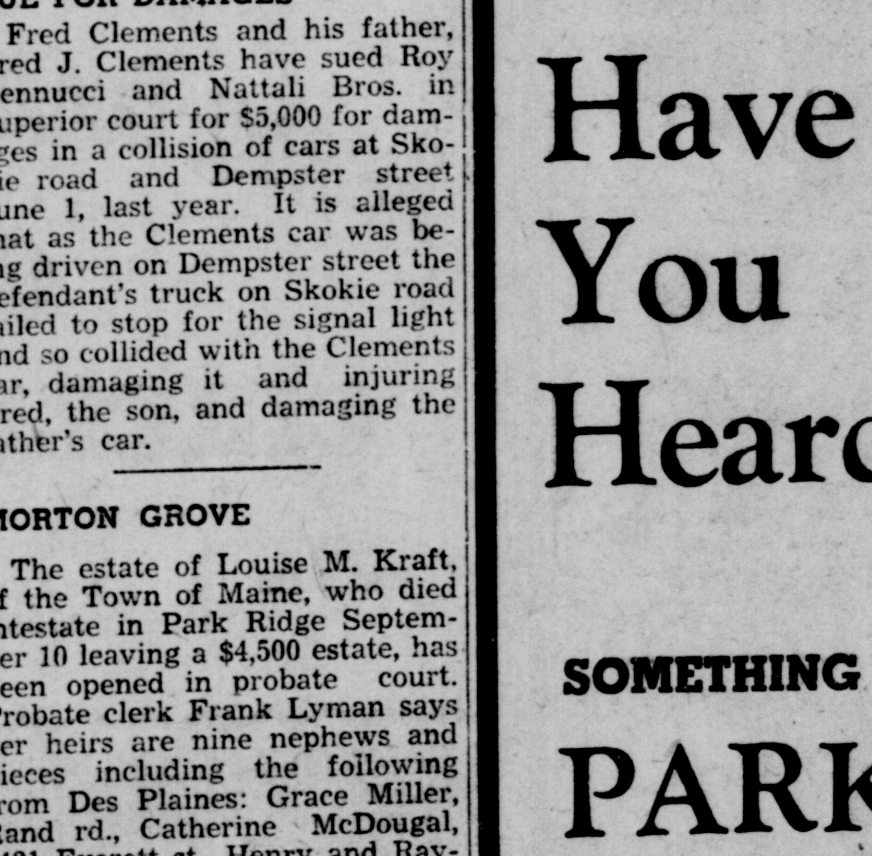

SUE FOR DAMAGES

Fred Clements and his father, Fred J. Clements have sued Roy Bennucci and Nattali Bros. in Superior court for \$5,000 for dam- ages in a collision of cars at Sko- kie road and Dempster street June 1, last year. It is alleged that as the Clements car was be- ing driven on Dempster street the defendant's truck on Skokie road failed to stop for the signal light and so collided with the Clements car, damaging it and injuring Fred, the son, and damaging the father's car.

MORTON GROVE

The estate of Louise M. Kraft, of the Town of Maine, who died intestate in Park Ridge Septem- ber 10 leaving a \$4,500 estate, has been opened in probate court. Probate clerk Frank Lyman says her heirs are nine nephews and nieces including the following from Des Plaines: Grace Miller, Rand rd., Catherine McDougal, 1421 Everett st., Henry and Ray- mond Gross, both of 1718 White st.

Ralph Heinsohn

Funeral services for Ralph Heinsohn, 114 township, who died February 21, were held Sunday at 1:30 p. m. at Karstens funeral home, Arlington Heights. Interment Rand Hill Park cemetery.

Ralph Heinsohn, son of Mr. and Mrs. Carl Heinsohn, was born January 6, 1918, in Chicago. He died at the home of his parents on McHenry Road in Elk township at the age of 28 years, 1 month and 15 days.

Hilda Olson

Mrs. Hilda Olson, mother of Mrs. Edith Lohley of Mt. Prospect, died Monday, February 18, at her home three days before her 80th birthday.

She was born in Karlshamn, Sweden, and came to America in 1923. She has made her home with her daughter, Edith and son-in-law for the past eight years, coming to Mt. Prospect in December of 1940.

She leaves to mourn her departure her daughters, Mrs. Lohley of Mt. Prospect and Mrs. Alma Langisch of Downers Grove, son Chas. Olson of Norwood Park, four grandchildren and 2 great grandchildren.

Funeral services were held at Drake & Son chapel in Chicago, Dr. Joshua Oden offering the sermon. She was laid to rest beside her late husband, John, Wednesday, February 20, at Montrose cemetery.

Sophia Winkelmann

Funeral services for Sophia Winkelmann, Higgins rd., who died Sunday morning, February 24, were held Wednesday afternoon at 1:30 at Karstens funeral home and at 2 p. m. at the Elk Grove Ev. Lutheran church. Interment was in the Elk Grove Evangelical Lutheran cemetery.

Sophia Winkelmann, nee Freise, was born January 29, 1910, at Schaumburg. She received her education at the Schaumburg Lutheran School and was confirmed at the Schaumburg Lutheran church by Rev. Theiss.

On November 10, 1929, she was united in marriage to Louis A. Winkelmann at the Winkelmann residence on Higgins road; this couple have always made their home at this place. After an illness of quite some time Mrs. Winkelmann passed away at an Elgin hospital on Sunday morning at the age of 36 years and 25 days.

She leaves to mourn her early departure her husband, Louis A. Winkelmann and five children, Louis, Jr., Alice, Jean, Betty and George; her father and mother, Mr. and Mrs. Henry J. Freise; grandparents, Mr. and Mrs. Henry C. Freise of Palatine and brothers and sisters, Henry Freise of Union, William Freise of Mar-engo, George Freise of Palatine, Miss Paulina Zoelick of Bartlett, Miss Laura Freise, Schaumburg, and Robert Freise, in the service of the United States; brother-in-laws and sisters-in-law.

Gordon Sturm

Serving in the Italian campaign for eight months, Sgt. Gordon Sturm died suddenly at Fort Bragg, N. C., Sunday, February 17.

He was born in Elk township October 15, 1915, of a family of eleven children of Mr. and Mrs. Jacob Sturm. He was confirmed in the christian faith at St. Paul church, Palatine, April 13, 1930, and attended the Palatine public school.

February 26, 1940, he married Miss Pearl Ehlers of Chicago. March 8, 1944, he entered the army and served his country for two years. He went overseas in December, 1944, and served as cook in the Italian campaign. He was raised to the rank of T-4 and received the Good Conduct ribbon, the Victory Medal, and the European theatre ribbon, returning to the United States in August, 1945. Since then he has been stationed at Fort Bragg, N. C. He was to be discharged in another three weeks. He died at the age of thirty years and four months.

He leaves his wife, Mrs. Pearl Sturm of Chicago, his father, Jacob Sturm, Palatine, brothers, Arthur, Barrington, Harry of Elgin, Irving and Russell, Lake Zurich and Merle of Palatine, and sisters, Mrs. Alice Ottendorf, Palatine, Mrs. Pearl Shontaus, Wauconda, Mrs. Eleanor Porteous, Round Lake and Mrs. Grace Meyer, Palatine and their families.

Mrs. Ellen Sturm, the mother, preceded her son in death in 1942, and a brother, Lester, died in 1941.

Memorial services were held Thursday, February 21, at 2:00 p. m. at St. Paul Evangelical and Reformed church, Palatine. He was laid to rest with military honors at Rand Hill Park Cemetery.

Funeral services for Anna Andresen, 504 Waukegan rd., Highwood, Ill., who died Sunday at the Lake County hospital, Waukegan, were held Wednesday at 1:30 p. m. at the Lauterburg & Oehler chapel, Deerfield. Cremation took place at Acacia cemetery.

The deceased leaves to mourn her departure her husband, Major Fred Andresen.

Former resident dies
Mrs. Wallace Fleming Shirra died in Pasadena, California, Wednesday morning. Funeral will be held Friday in that city. Mrs. Shirra was the wife of Attorney Shirra, who was active in Arlington Heights civic affairs 35 years ago. They moved to Evanston about 25 years ago. Word of the death was received by Mrs. Banta, who was a close friend of the deceased.

Electronics Service appointed bonded technicians

"Raytheon Bonded Electronic Technicians" is the new certificate of merit just awarded to Electronics Service at 22 E. Northwest Hwy. "And it means just what it says," Dick Weidner explained, "because it is based on rigid national standards and only completely qualified radio service dealers receive the 'Raytheon Bonded Electronic Technicians' certificate."

The award means that Electronics is now bonded by the well-known Western National Indemnity Company, to guarantee complete satisfaction on all radio repair parts and service for 90 days, to charge fair prices on parts and labor and to use only recognized quality parts. The bond also covers testing tubes accurately and using modern equipment essential to prompt, efficient service.

Edward A. Nagel

Services for Edward A. Nagel, 1387 Walnut ave., Des Plaines, who died Monday at St. Luke's hospital, are being held this Thursday at 2 p. m. at Lauterburg & Oehler chapel, Des Plaines, the Rev. W. E. Brehm officiating. Interment in the Town of Maine cemetery.

Mr. Nagel was born May 5, 1899, in Wheeling township. He was owner of the Plymouth-Dodge garage in Des Plaines and was a member of the Des Plaines Fire Department and Des Plaines Elks. He was taken ill Sunday and died Monday at the St. Luke's hospital.

The deceased leaves to mourn his departure his wife, Florence, a daughter Eunice Rae, sister, Mrs. Pearl Speigler of Des Plaines and his mother, Mrs. Ella Nagel.

Katherine Maske

Funeral services for Katherine Maske, formerly of Des Plaines, who died in Houston, Texas, Sunday, will be held Friday at 2 p. m. at the Lauterburg & Oehler chapel, Des Plaines. The Rev. W. E. Brehm will officiate. Interment will be in Town of Maine cemetery.

Mrs. Maske had resided in Des Plaines 60 years. The past two years she lived in Houston, Texas, where she passed away February 24 at the age of 85 years.

She is survived by her children Lillian Clark, Mabel Klipp, Ida Sanford, Myrtle Goldsworthy, Herbert and William Maske and two stepchildren, Harriet Hoffman and Emmie Zabbell.

Funeral services for Katherine Kubik, 73, 1819 White st., Des Plaines, who died Sunday at the home of her son, John Kuna, were held Wednesday at 2:30 p. m. at the Lauterburg & Oehler chapel, Des Plaines. The Rev. Theo Potter officiated and interment was in the Bohemian National cemetery.

The deceased is survived by her husband, Joseph Kubik and one son, John Kuna.

Services for Albert Easton, 641 Deerfield rd., Deerfield, who died Sunday at the Bee Dozier sanitarium, were held Tuesday at 2:30 p. m. at the Lauterburg & Oehler chapel, Deerfield. The Rev. Plapp officiated with interment in Deerfield cemetery.

Mr. Easton is survived by his wife, two daughters and two sons.

Svetanoff-Kuhl nuptials held Saturday eve

Miss Anita Svetanoff, daughter of Mr. and Mrs. Milan Svetanoff, 115 W. Davis st., Arlington Heights, became the bride of Mr. Harold Kuhl, son of Mrs. Wm. Kuhl, Arlington Heights, in an impressive candle light double ring ceremony held at St. John's Evangelical church, Arlington Heights, at 8:00 o'clock Saturday evening, February 23.

Mrs. F. Bohn sang "Because" and the "Lord's Prayer". The wedding vows were solemnized by the Rev. Wm. F. Kampfenkel. The bride entered the church on the arm of her father. She was gown in white slipper satin which was fashioned with a bertha collar, long fitted sleeves, full skirt and train. Her full length veil was fastened to a beaded tiara headpiece. She carried a bouquet of white roses and fuchsia. She carried a blue handkerchief which came from China.

The attendants were gown in

white net with full skirts and cap sleeves and carried colonial bouquets of red carnations with matching headpieces. Mrs. Carl Svetanoff, sister-in-law of the bride, was matron of honor. Miss Alice Kuhl, sister of the groom was maid of honor. Miss Rose Naumoff, Miss Mary Naumoff, Mrs. Robert Koeppe and Miss Marilyn Kuhl served as bridesmaids.

Max Giasch attended as best man. Ushers were Marvin Kuhl, Alfred Kuhl, Carl Svetanoff, Walter Bally and Joe Knittle. The little flower girl, Barbara Ann Kuhl, niece of the groom,

was dressed like the bridesmaids and wore a poke bonnet. Freddie Lauterburg, Jr., cousin of the bride, as ringbearer, wore a tuxedo. Mrs. Svetanoff, mother of the bride, wore a navy blue print dress and Mrs. Kuhl, mother of the groom, wore a brown dress. Mrs. Svetanoff and Mrs. Kuhl wore corsages of carnations. A reception was held at the fieldhouse for 400 guests. The young couple left for a short honeymoon. Mr. and Mrs. Harold Kuhl will make their home for the present with the bride's parents.

Hear What He Has Done!

Jesus Christ, the Savior of us all, came into this world of sin to live His life of love among men who hated Him, to bless those who cursed Him, to do good to those who mistreated Him, to show men the Way, the Truth and the Life, — and finally to suffer and die on the Cross of Calvary for the sins of the world, — your sins and mine.

Listen earnestly and trustingly to that message, for in the proper hearing is the healing of your soul. He, your Savior, gives all of you the fruits of His suffering, His righteousness to replace your sin, His peace to take away your fear and doubt, life for death, and joy for sorrow.

See What You Have Done!

Long ago the selfish lusts of men nailed Jesus to the Cross. Today, our dying Savior again points His finger at us and says, "Sinner, you did this to Me." — Then He calls our attention to the world and says: "You did this to your fellow men. The world is sick. Millions of children are wandering about begging, stealing, ragged, and there are few to care for them, physically or spiritually. The old, the poor and the sick are crying for help, but are sentenced to death by the lack of loving effective help from the Savior's friends."

Learn What You Can Do

There is one thing that all of us can do — go to church this Lenten Season to learn there what we can do for better lives, better homes, better churches, a better community and a better world.

Make Shopping Bag
Material from discarded awnings you may find salted away in a store-room can easily be made into a shopping bag. Wornout "pup tents" or outgrown raincoats will also fill the bill. After cutting out U-shaped back and front, about 16 by 16 inches, stitch the side and bottom edges to a 6-inch band of the material. This panel gives the bag width. Attach handles—an inch or so wide—one on each side of the bag.

Surplus goods

Construction equipment—tractors, cranes, pumps, bulldozers, road rollers and other machines—valued at millions of dollars is being sold nationally on priority to state and local governments by the War Assets Corporation.

Fred A. McLaughlin, Acting Associate Director of WAC's Chicago Region, reports a steady stream of this equipment will be offered priority claimants for many months to come.

Thus small towns and rural governments, in equal acquisition with large cities, are purchasing much-needed equipment at a considerable saving to the taxpayers of their community.

Approximately 434,000 new washboards that have been declared surplus by the army will be offered to priority claimants including war veterans—and the trade in a 15-day national disposal sale beginning February 25, War Assets Corporation announced today.

These surplus washboards, which originally cost the government approximately \$334,000, are constructed with wooden frames, and each has a soap shelf at the top. The scrubbing surface, made of crimped glass, is 11 by 12 inches. The over-all size of the washboards is 23 1/4 by 12 1/2 inches.

Almost 20,000,000 yards of surplus cotton fabrics will be offered for sale at fixed prices by War Assets Corporation from March 4 to March 18 to manufacturers guaranteeing to produce men's and boy's work clothes and washable hospital-type gowns and suits.

Included in the 20,000,000 yards inventory are 6,948,641 yards of olive drab herringbone twill, 905,575 yards of uniform twill, 571,514 yards of grade "D" white four harness twill, 2,393,503 yards of drill, 4,917,521 yards of grade "A" commercial twill, 140 sheeting, 192,365 yards of unbleached herringbone twill, 999,880 yards of silesia, and 3,000,000 yards of white grade "C" combed lawn.

Sausage Ingredients
The ingredients of a hot dog are meat and seasoning. In addition to the meat, a sausage may also contain 3 1/2 per cent cereal or dried skim milk. Of course, when such additions are made, the sausage is marked, "Cereal added" or "Dried skim milk added."

New rates mean lower costs for electricity

New, low electric rates announced yesterday by the Illinois Commerce Commission will mean that residential, rural, and commercial customers of the Public Service Company of Northern Illinois will save \$1,838,000 annually on their electric bills.

Based on 1945 use, the utility's 325,000 home and farm users will save an estimated \$1,404,000 a year, while 32,000 commercial establishments will receive a \$434,000 annual windfall.

Britton I. Budd, president of the company, said that the new rates, which will go into effect with meter readings beginning March 1, will result in an average saving

of \$4.32 a year for residential and rural customers. The overall percentage cut for their group of users will be about 8.7 per cent while the commercial users will save an average of about 4.2 per cent.

The new home and farm rates also have been simplified, Budd said, with elimination of the old system of computing charges on the basis of the number of rooms in a dwelling. The new commercial rate schedules likewise have been streamlined and simplified.

The new rates for all residences served by the company will be 5 1/2 cents per k.w.h. for the first 40 used each month, 3 cents for the next 60, and 2 cents for all over 100.

The company's last previous general electric rate reduction in 1939.

Vitamin need for calves stressed

Many recent experiments in raising dairy calves have centered around the vitamin needs of the calves. The reason for all the attention to vitamin needs is that the vitamin content of a calf at birth is very low, says W. B. Nevins of the University of Illinois College of Agriculture. Usually the colostrum, or first milk, is high in vitamin content, and supplies all the newly born calf needs—but if the colostrum doesn't have enough vitamins and they are not supplied artificially the calf is headed for trouble.

In normal colostrum the vitamin content is so high that after 24 hours of feeding, the vitamin A in the blood of the calf may be five times as high as at birth. If the cow is not well-fed, her colostrum will not have the high vitamin content necessary for the calf. To be sure there will be enough vitamin A, Nevins recommends a dry period of six to eight weeks before calving, and plenty of green pasture or green-colored hay or silage during that time.

If a cow has mastitis, or for any other reason her colostrum can't be used, and if colostrum from another fresh cow is not available, the calf needs vitamins in capsule form or in the form of fish liver oil or concentrate. Whole milk feeding should be continued for three to four weeks, because butterfat is a good vitamin A source.

Then, too, vitamin D is important in preventing rickets in calves. Good-quality sun-cured hay as soon as the calf will eat it will eliminate most possibilities of a vitamin D shortage; exposure to the sun, fish-liver oil and irradiated yeast will also help, Nevins says.

Many restrictions still on for farm slaughtering

Believing restrictions are off on livestock slaughter, some farmers have run into trouble. After trying to get the facts—which is difficult—it seems this is the situation. Farmers can butcher their own stock for their own use freely—period.

When killing for others he needs no permit to slaughter as long as his kill is not over 6,000 lbs. dressed meat.

Charges made for killing are to be separate from sale of stock on the hoof, and may be the same as of March, 1942. If he did not slaughter then he may borrow the charges from another who did during that period, or failing this he may apply to the OPA District Office for a charge, and in any event file this with the District OPA Office—even if he takes the hide for killing.

A farm slaughterer does not

Corn hybrid tests show 60 bu. average yield

Two hundred and seventy corn hybrids were tested on seven fields in Illinois during 1945, it is disclosed in a new circular reporting hybrid corn tests, issued by the University of Illinois Agricultural Experiment Station in cooperation with the State Natural History Survey.

The results of the tests reveal that the Sullivan field in south-central Illinois, as in 1944, had the highest average yield—91.7 bushels an acre. The average acre-yields of the other test fields were: Sheldon, 76.1 bushels; Galesburg, 64.5 bushels; Kings, 62.8 bushels; Dixon Springs, upland, 52.3 bushels; Dixon Springs, bottomland, 47.3 bushels; and Alhambra, 26.2 bushels.

Average yield of corn on all seven fields was 60.1 bushels an acre, which is 29 per cent more than the 1945 average yield of the state (46.5 bushels).

More white hybrids were included in tests in the southern half of the state than in the northern half. On southern fields they performed relatively better than the whites on the northern and north-central fields. Forty-four companies, individuals and institutions were named as contributing seed for the 1945 tests.

More than half of the major corn-producing acreage in Illinois in the past eight years has been planted to hybrid seed. The average yield for this period (1938-45) was 48.5 bushels an acre. The average for the previous eight years (1930-37), when the hybrid corn was grown, was 32.9 bushels.

In 1945 the corn acreage in 47 Illinois counties was planted entirely to hybrids. In the state as a whole 97.6 per cent was planted to hybrids, an all-time high. In spite of many unfavorable grow-

ing conditions, the average corn yield for the state was 46.5 bushels to the acre.

Production records of all hybrids planted together, with detailed observations of the varietal characteristics during the growing period, are included in the report.

Authors of the new circular are G. H. Dungan, chief in crop production; A. L. Lang, associate chief in soil experiment fields; Benjamin Koehler, chief in crop pathology; R. W. Jugenheimer, associate chief in plant genetics, all from the Illinois Agricultural Experiment Station, and J. H. Bigger, associate entomologist, Illinois State Natural History Survey.

Copies of Circular 517, "Illinois Corn Tests 1945," may be obtained upon request to the College of Agriculture, Urbana.

Science often upholds many old beliefs

Sometimes science upholds old-time traditions and superstitions, according to L. B. Miller, agronomist at the University of Illinois College of Agriculture. Citing the centuries-old Chinese practice of using dried and powdered toad skins to treat wounds, Miller says scientists have discovered that powdered toad skins contain a considerable amount of the modern drug adrenalin.

But science also proves the lack of factual basis for certain other traditional beliefs, such as the idea that passing seed corn thru a small knothole in a board prevents grubs from eating the growing corn, or that fruit trees will be as many years old when they begin to bear as the moon is days old when the trees are planted.

Experiments carried on for many years show no factual grounds for the belief that crops which develop underground (like potatoes) should be planted in the dark of the moon, while those which produce their crop above-ground should be planted in the light of the moon.

Weather predictions based on the appearance of the sun, moon and stars frequently have a good basis for accuracy. The proverb, "Rainbow at night, shepherd's delight; rainbow in morning, shepherd's take warning," is explained thus:

In the temperate zone most weather disturbances move from west to east. The observer is always between the sun and the rainbow. Thus a shower causing an evening rainbow is in the east and moving away, while a morning rainbow is in the west, indicating that the shower is approaching.

The belief that a ring around the moon heralds rain likewise has a scientific justification. The circle is caused by diffraction of light, through water droplets in the atmosphere. As the droplets become larger, the circle around the moon becomes more distinct and smaller in diameter, indicating the probability of rain.

Vaccination no proxy for good herd care

Whether or not adult cattle should be vaccinated against brucellosis (Bang's disease) is a confusing problem to many farmers.

"Vaccination is not a substitute for good herd management," says University of Illinois veterinarians, who maintain that cattle owners should be informed of the limitations as well as of the advantages of vaccination.

It is not advisable to have adult cattle vaccinated, they say—especially if the breeding herd is "clean" or negative to the agglutination test, if the herd is supplying raw milk to city users or if the farmer expects to sell breeding stock to buyers in other states—since such animals become reactors and usually remain so for long periods. Vaccination of adult cows, therefore, is not compatible with the testing program. Pregnant cows vaccinated after the third month of gestation may abort.

There is no known advantage in vaccinating animals which are already infected, but in severely infected herds vaccination of calves and negative open cows may prove helpful in suppressing or controlling the disease. Adult cow vaccination has also been recommended where signs indicate an outbreak of brucellosis starting in a good herd of cattle.

Calf vaccination is of course optional with the owner. Ordinarily it is not recommended in clean herds, especially in areas where the incidence of brucellosis is low, but in infected herds it is a recognized aid in controlling the disease. State regulations provide for vaccination of calves between the ages of four and eight months under the permit of the Chief Veterinarian, State Department of Agriculture, Springfield.

Veterinarians have found that the ideal program for brucellosis and control consists of blood testing to detect infected animals, combined with calfhood vaccination in infected herds and good management methods in all.

Arlington takes undisputed Northeast basketball title

15 per average

Lane adds 16 pts. to notch 179 for Northeast crown

Cannon just 18 pts. behind

Big John Lane's 15 point a game average took the Northeast conference individual scoring championship for the 1945-1946 season two weeks ago, but John added 16 points to his total in last week's tilt against Woodstock to make his record even more impressive. His 71 baskets and 37 free throws were tops for the highpowered Niles five. The Trojans tied with Crystal Lake for second place in the league race.

Cannon of Warren had kept pace with Lane until two weeks ago when the high scorer out-matched the Warren star, 30-6. Cannon sank 65 from the court and 31 at the free throw line to amass 161 points.

High man for the Crystal Lake Tigers was Nelson who notched 56 and 29 for a 141 total. Evans of Lake Forest and Drake of Libertyville followed with 138 and 134 points, respectively.

Arlington's championship Cardinals had their scoring honors divided between two men—Busse with 110 and Wille with 107. Big Al Stroker, respected for his rebounding and tip in shots, scored 83.

Complete listing of Northeast league scorers totaling 30 or more points are published this week, with 10 men passing the century mark. Six men reached that figure a year ago in the Northeast conference with Legel of Crystal Lake and Cannon of Warren in the "Century Club" both years. Lane sank 69 points last season.

Cards beat Lake Forest to cop first

The Cards played their final conference game of the season last Saturday night when they defeated Lake Forest 40 to 39. This victory puts Arlington in first place with their closest rivals, Niles, and Crystal Lake in second with two losses apiece. The conference record for the locals is 11 and 1.

Lake Forest was the team that surprised everyone by beating Crystal Lake and came within 2 points of beating Arlington.

Both teams started pretty evenly at the beginning of the game, but the Cards finally took the lead and held it until the last quarter. At one time the Lake Foresters were 2 points ahead. A short while later Arlington tied the score and during the last few minutes it was an exciting scramble with none of the teams scoring until Busse made a free throw to put the Cards in the lead and won the game.

High scorers were Busse for Arlington with 12 points, and Price for Lake Forest with 13.

The Arlington Junior Varsity also ended their season with a win, by beating Lake Forest 34 to 30. This defeat will knock the Forester's out of first place, which they held with Niles, thus giving the position solely to Niles.

Paul Stroud wins duck calling

Paul Stroud, well known sportsman in Arlington Heights, has won preliminaries in a Chicago duck calling contest, and will compete for the state final this Sunday. The contest is being held at the Coliseum in Chicago in conjunction with the International Sportsman's show.

A winner is proclaimed each night, with this Sunday night's contest to determine state champion. Grand prize winner will get an all expense trip to the national contest at Stuttgart, Arkansas, and will compete for the \$1,000 national award.

J-Vs complete season with 11 and 4 record

Junior Cards 4th in league

Arlington's Junior Varsity five, using plenty of substitutes in every game, ranked fourth in Northeast conference standing this year. The J-Vs, always a threat in the league, won eight and lost four games, outscoring their opponents 334 to 316, in Northeast competition.

The V-Vs split with Lake Forest and Libertyville, and lost to Niles and Crystal Lake for their four losses. They beat the Wildkittens 26-23, then lost 29-19. They were mauled early in the season by the Foresters, 41-23, then came back in the season final to whip the junior Scouts, 34-30. Niles and Crystal Lake J-Vs both took the local boys in decisive fashion.

The all season record of the junior Cards was 11 and 7. The three and three record against non-conference opponents included two victories over Palatine, and one against Maine. They were beaten twice by Barrington's Northwest champs, and lost to Tilden of Chicago.

Hogreve led the locals with 33 baskets and 25 free throws, notching 91 points. Garms with 85 and Magnus with 74 were close behind. Robinson with 55 and Roche at 45 followed. 15 boys made the J-V scoring column, with many more also competing during the year.

Complete individual scoring records for the year follow, showing several high scorers on their way to next year's Cardinal varsity.

Cards end season in Elgin regional; have 15 and 3 record

Locals cop first trophy in NE basketball

Arlington Heights Cardinals have tucked sole ownership of their first Northeast conference varsity basketball championship under their wings. Final game of the league schedule was played at Lake Forest Saturday night which the locals won by one point, thus freezing Niles and Crystal Lake from any hopes of a three-way tie for first place in the conference.

Arlington played this year under a new coach, Clarence Iba. Iba, brother of the famed coach at Oklahoma A. & M., brought a new system of fundamentals to Arlington, with coolness and steadiness heading their play. Iba's boys immediately liked their coach and portrayed his ever-steady nature in their games.

The Cards put their best team in 15 years on local courts, winning 15 and losing three tilts. Maine dealt Arlington their first defeat in the season opener. Tilden knocked the Cards, 41-38, at the midway point, as did Crystal Lake in the Cards' only conference setback of the year.

11 and 1 record

Arlington held an 11 and 1 record when the curtain rang down on Northeast basketball last week, with outstanding victories over Niles and Lake Forest the crucial tests of the local five.

Crystal Lake had taken the Cards to camp, after rallying from a 19 point deficit to earlier defeat Niles. Then Lake Forest upset the Lakers, while Arlington outscored the high powered Niles Trojans, 51-48, in their only meeting of the year. Niles then beat the Lakers, putting the Cards one game to the good.

Beat Palatine twice

Two high points in the Cardinal varsity season were victories over Palatine, 38-26 and 33-32. The first game was even at the third period when Arlington put on a home stretch drive. The other contest was as hotly contested as any previous Palatine-Arlington tussle, with the Pirates keeping pace until Stroker's two quick tip-in shots, plus a free throw, in the final four minutes put the game on ice.

These two victories enabled Arlington to put two more notches on the sleighbells trophy, and run their string over their neighbors to four straight.

In tournament

Arlington's Cardinals enter tournament play this Wednesday night in the Elgin regional, and are expected to win their first game. The tilt will be over by the time this appears in print. Thursday night at 8:45 Arlington will probably play Dundee, the Cards' real test in the Elgin meet.

Dundee, currently rated seventh in the state, is the favorite of the tourney. Elgin, once ranked second in the state, lost four regulars by graduation and has since disappeared from the top fifteen.

Balanced scoring on the part of the Cardinals contributed much to their success this past season, with Busse and Wille leading the champs at 110 and 107. Big Al Stroker ranked farther down the list of conference scorers with 83 points. McArdle notched 67, with Kleiner, Aldrich and Dahlstrom next in line for the Cards.

Future bright

All in all, the Cards have just finished a top season under new coaches, producing their best team in fifteen years. The future for the Cards is still bright. Stroker, Dahlstrom and Kleiner are all juniors, with more good men coming up from the J-Vs.

A new spirit has taken hold in Arlington Heights athletics, a spirit that will pay off from now on.

An appendectomy floored Mac Says, 1-0, this week It was a close finish. Opening quarter started at the Chicago Stadium Saturday night, with the second and third periods spent in the Palatine hospital Sunday. Final segment ran true to form Monday morning with the Doc making one cut in the squad. Mac is now taaking a 10 days layover before returning to the game.

THE OLD JUDGE SAYS...

OLD JUDGE: "Hank, you're a big grain producer...let me ask you a question or two?"

HANK: "Glad to have you, Judge."

OLD JUDGE: "Do you think the grain used by distillers is wasted as some folks are saying?"

HANK: "I certainly do Not! As a matter of fact, it is just the opposite."

OLD JUDGE: "How do you figure that, Hank?"

HANK: "From my own experience and from reports I've read. For the year endin'

last June, the distillers produced over 1,200,000,000 pounds of distillers' dried grains...the best feed supplements we can lay our hands on. They are rich in nutrients. Why...I've never had such fat dairy cows, livestock and poultry as I have since I've been usin' these dried grains."

OLD JUDGE: "How do you use 'em, Hank?"

HANK: "I blend them in with original grain. This balanced ration has far greater feed value than the original grain itself. I can cut down on my whole grain feeding about 20% and still get better results."

Libertyville wins own district tournament

Favored Ela eliminated early

In true "tournament team" fashion Libertyville's Wildcats fought through their own district tournament last week to come out on top the second year in a row. The winners had a 3 and 9 season record in the Northeast conference and were certainly not picked to win this year's tourney.

Favorite Ela was knocked out by Lake Forest opening night, who in turn was eliminated by Warren, 36-35. The Wildcats mauled Northbrook, 48-25, led Barrington all the way, 32-27, and then rallied to beat Warren for the trophy, 25-21.

A new record in district tournament receipts was established at Libertyville with \$1,842 taken in at the door. Evenly matched teams and early elimination of favored Ela, plus the Wildcats' staying power, were both factors in the outstanding attendance record.

In the championship tilt Libertyville started slow, scoring their first basket after 12 minutes of play, midway in the second period. Warren led in the first segment, 6-1. The Wildcats

passed them in a hurry, leading at the half, 11-9. Third section saw them run a three point, 20-17 lead which they held for the final 25-21.

Drake led his teammates in the final victory, scoring 13 points. He notched 14 baskets and 11 charity tosses for 39 points and a 13-percentage average.

Woodstock fails to Niles in final

Woodstock lost its final games in the Northeast conference to Niles, five, thus assuring the Niles varsity a tie for second position in the league.

The Trojans won the heavy-weight game on their own court, 63-31, with John Lane leading the way with 16 points. Mueller was right behind with 14 points for the victors. Tavernier led the visitors with 13 tallies.

Niles also won the preliminary game, 47-12.

Palatine dropped by Elgin

We, not Mac, pick Waukegan and Dundee to win

With Palatine and Woodstock falling before Elgin and Crystal Lake Tuesday night in the Elgin Regional, Dundee toyed with McHenry and Arlington Heights was expected to top St. Edward in Wednesday night's play in the meet.

Thursday night will see Elgin meeting Crystal Lake in a very close game. Ye ed wouldn't be too surprised to see the Lakers win. In the other tilt Dundee should drop Arlington from the tournament after a hard night's game.

At Waukegan center Dave Allen led his Waukegan teammates to a 36-33 victory over Evanston, Dave scoring 13 points. New Trier defeated Zion Benton in the other tussle 35-29.

Wednesday night Highland Park should have fallen before the powerful Maine high, picked by some to win the tourney. Niles probably walloped Libertyville, turning up for Thursday's test against Maine. Waukegan should trounce New Trier in the other semi-final.

Again we remind you readers Mac is not with us this week, so our predictions are strictly our own. We'll take Maine over Niles (though we'll be pulling for the Trojans) in a hot contest, with Waukegan getting the nod in the final.

Card frosh 7 and 2 record

Arlington Freshman teams have played nine games to date with three more on the schedule. With an impressive seven won, two lost record, the Arlington team hopes to add three more victories to their record before turning in their suits.

Arlington plays the Lake Forest frosh this coming Saturday at 10:30. Then the following Saturday a four team invitation tourney will be held at Lake Forest with Libertyville, Warren, Arlington and the host school competing.

Double victories over Warren, Niles and Barrington, and a single over Lake Forest is the record to date. Both losses have been at the hands of Leyden.

Though several others counted in the freshman scoring column at Arlington, four boys did a major part. Robinson was high with 24 baskets, 17 free throws for 65 points. Thrice ranked second with 32 points (15-8). Meyer sank 37 points (15-7) and Abernathy rolled up 27 (10-7).

New Trier 35, Zion-Benton 29.

Palatine bowed out of the state tournament play Tuesday night when they fell before Elgin, 42-28, in the opening round of the Elgin regional.

Coach Stutzman's Palatine Pirates jumped off to an early lead over a rugged Elgin team. At the first quarter Palatine led 8-5 with Toppel, Pepper and Howe doing the scoring. After having some difficulty in finding the basket, Elgin came back in the second quarter to make the count Palatine 11, Elgin 17, at half time.

In the third quarter Palatine scored 13 points, led by Al Toppel and Bob Birks, while Elgin edged 14 for the best played quarter of the game.

The high powered Elgin team seemed to have a little trouble getting started against the Pirates zone defense and the game lagged a bit as both teams made a number of routine floor errors.

Oergel, high scorer for Elgin, connected for 8 baskets while Toppel collected 14 points for Palatine. The Pirates rebounding on defense by Kolze and Hoves was some of the best seen this season. Elgin connected for 30% of their shots from the field while the Pirates were only finding 21%.

Bizer tops

13 men top century mark in NW scoring

Toppel ranks second for Palatine

New highs were set in the Northwest conference individual scoring this year when thirteen men placed above the 100 mark in hitting the hoops. A 14-game home and home schedule contributed to the high scoring spree.

Bizer of Northbrook led the Northwest league with 71 baskets and 24 free tosses for a grand 166. Close behind was Toppel of Palatine with 162. These two boys juggled the scoring lead between themselves all year.

K. Grever of the champion Ela Bears rated third with 159, while two other Grevers of the first place squad notched 103 and 94 points. On other Palatine youth, Birks, also placed above the Century mark with 110.

Bensenville's scrappy Bisons, losing only to Palatine and Ela, placed three men in the elite group. Ernsing notched 154 tallies, while Webb with 119 and Huffman with 104, were up in the scoring columns all year long. Consistency in hitting the hoop was demonstrated the past two years by Harvey of Wauconda. Harvey took scoring honors last season with 139 points, including 63 field goals and 23 charity throws. This year he notched 59 and 30 for 148 points.

Only other repeat member of the century group was Flock of Barrington. He sank 115 points

last year. Complete listing of boys scoring over 40 points for the season are presented here.

LOOK, ANOTHER BIG DOUBLE BILL

Your teeth

Baby teeth are of primary importance because they are used to prepare food for digestion during the child's most important growth period—up to approximately 12 years of age—and no effort should be spared to keep and maintain them in the best possible condition.

Also the first teeth are pathfinders for the permanent teeth that succeed them. Consequently, if the baby teeth are lost too early in life, the adult teeth may come in crooked.

The baby teeth make their appearance usually between the ages of 4 months and 2½ years. They number 20. There are four central incisors, two above and two below; four lateral incisors, two in the upper jaw and two in the lower, four cuspids, two in each jaw, and eight molars, four to each jaw. These teeth are replaced by the permanent ones between the ages of 6 and 13, the central and lateral incisors being lost first.

The child's diet should be carefully planned to keep the baby teeth in good condition. Parents should see that young children have plenty of milk, green leafy vegetables, fruits, eggs, meat, bread and cereals, especially those made from whole grain.

Parents also should teach their children to chew food thoroughly. Coarse foods help to cleanse teeth, but other cleaning also is required. Cotton or gauze wrapped around the mother's finger and soaked in a normal salt solution (about one teaspoonful of salt to one pint of water) should be used for cleansing when the teeth first erupt. Later, a small tooth brush and unmedicated toothpaste should be used by the mother to clean the child's teeth, until he learns to brush his own teeth.

The family dentist should examine the child's teeth at least once every six months after the age of 2, or earlier if dark spots appear on the teeth. Plenty of rest and sleep, fresh air and sunshine also are essential to the health of the child's teeth.

Poultry By-Products

Just as pork packers save all the hog but the squeal, leaders in the poultry industry believe that several by-products of poultry dressing plants can be used better than they are now. These products include, among many others, feathers, combs, shanks and feet. Of approximately 100,000,000 pounds of feathers picked from chickens in a year, not more than a fourth are now used by feather processing plants. Most of the feathers are thrown away or are used for fertilizer. Yet feathers are fiber, similar chemically to the wool of sheep or the bristles of hogs.

Way back when

30 YEARS AGO—FEB. 25, 1916

Bensenville

Alfred Blume celebrated his birthday Saturday night with great "pomp and ceremony." He rented the hall for the occasion and invited the young people to help him celebrate.

Mr. and Mrs. Emil Schoppe are parents of a fine baby boy.

Mr. and Mrs. Volberding celebrated their fifth wedding Sunday.

A Valentine party was given in honor of Charles Fischer of Churchville by the senior girls of Elmhurst high school, it being leap year and Mr. Fischer being the only boy in the senior class.

Little Clifford Schultz celebrated his birthday Feb. 14.

A quiet wedding was solemnized in Plato February 11, when Max Moeller and Miss Emma Bicknese of Itasca were married at the groom's home.

The young ladies of the L.B.A. find themselves richly recompensed for the efforts they set forth in entertainment of their invited gentlemen friends to a leap year and Valentine party, Saturday.

Mr. and Mrs. Emil Behnke are happy over the arrival of a little daughter at their home.

Miss Elnora Arps and Mr. Elvis Foster were quietly married at the Norwood Park home of Rev. Libberton Thursday evening, Feb. 24. They were attended by Mr. Stanley Stewart and Miss Vera Gansweiler.

Charles H. Patten, with others, has secured a charter from the state auditor, dated Feb. 8, 1916, which gives the gentlemen the authority to open a state bank in Palatine.

Pat McDonald was host to a crowd of men at a toboggan party held Sunday at Cary and with the exception of an injured finger sustained by Len Weidner, there were no accidents. The boys want to go again.

Mr. and Mrs. Robert Blackburn were hosts at a birthday surprise party for Mrs. Roy Lawbaugh Thursday evening.

Dolores Rizzi, with her mother, arranged to give a party to twelve of her schoolmates Feb. 12 in her home on South Dunton ave.

LET'S BE HEALTHY

Overheard on a bus the other day were two women discussing the subject of colds, and by the time the bus had gone a mile or so both women had offered innumerable sure-fire remedies for curing colds. The remedies ranged from sweating it out with blankets and hot drinks to exercise and cold air, from massaging the chest to swallowing homeopathic aids. Yet all the time they were talking one of the women was sneezing, and it never occurred to her to follow the first law of the cold sufferer—to cover your sneeze.

Today we live in close proximity to our neighbors. We eat in crowded restaurants, ride in crowded transportation facilities and, on occasion, use common drinking and eating utensils. Is it any wonder then that the United States has more than 200,000,000 common colds a year, and about 50,000,000 of these occur this month?

In view of these staggering figures we should be a great deal more cautious of where we go and what we do when we have a cold. Unfortunately there is no certain way of preventing a cold. The best precaution is a healthy body—a healthy body kept well nourished, well rested, and properly exercised, because people in good physical condition are most likely to resist repeated exposure to the cold germ.

A few simple rules will have cold sufferers up and about in short order. The sensible care of a cold includes:

1. Going to bed immediately and calling the doctor if fever is present.

2. Eat lightly, take plenty of liquids.

3. Remain in bed until the doctor gives you permission to go out. By all means follow his instructions implicitly.

4. Protect those around you from catching your cold. Cover your sneeze and stay away from family and friends.

Colds themselves are seldom serious enough to cause death but the complications that can follow even a simple cold might result in a long illness, often with serious consequences.

Mildew Fungus Growth

Mildew is the result of a fungus growth which develops on fabric that has been stored away from light and air, either damp or in damp surroundings. Flush area with water and apply soap solution to remove stains. Work the mixture into cloth very gently with brush. When the stains gradually give way, rinse with water.

10 YEARS AGO—FEB. 21, 1936

Bensenville

A dear and sweet little valentine came to gladden the home of Mr. and Mrs. John Spanley, Feb. 14. Little Marion Marie weighed nine lbs.

Mr. and Mrs. Fred Volberding celebrated their 25th wedding anniversary at their home Feb. 11. Fifty-five relatives and friends were invited to help them enjoy the occasion.

Billy Madill, George Luebkin, George Heavens and Jack Miller comprised a group of the Silver Hawks Boys' Club who hiked through the snow and against the sharp winds to the village of Wood Dale last Saturday.

Roselle

Mrs. Mark Schultz entertained a few friends at her home Wednesday afternoon in honor of her daughter Caroline's third birthday Monday afternoon.

The mothers of the children were also guests of Mrs. Schultz.

Mrs. Valentine entertained a few friends at her home Wednesday afternoon in honor of her birthday.

Itasca

Ruth Root will entertain nine friends at a birthday party Saturday afternoon in courtesy of her ninth birthday.

Little Nancy Broker will celebrate her second birthday Saturday. Her mother, Mrs. A. Broker, has invited a few guests for the day.

Arlington Heights

Pat McDonald was host to a crowd of men at a toboggan party held Sunday at Cary and with the exception of an injured finger sustained by Len Weidner, there were no accidents. The boys want to go again.

Six point program for USES offices

Returning today from a Region-wide conference at Chicago on a national six-point program for the United States Employment Service, Cleo C. Liepitz, manager of the USES office, at 5306 West Lawrence avenue, said that all phases of the new program would immediately become a part of her office's operations.

USES managers gathered at the Chicago meeting to exchange ideas on the integration of the six points into local office and community activities. The six points are: 1. The placement process in the local office; 2. The preparation, use, and dissemination of labor market information; 3. The counseling program; 4. Personnel management services; 5. Special services to veterans; 6. Cooperation with local organizations and other government agencies. The employment and expansion plans were well advertised by displays and exhibits from the more than 100 USES offices in Region VI.

Veterans under 21 can contract for GI loans

Veterans under 21, residents of Illinois, who ordinarily can not enter into a legal contract, are authorized by law to make GI loans.

Service officer Walter Haynes, 41 So. Prospect Ave., Park Ridge, calls attention to Chapter 126½, Part 46 of the Illinois Revised Statutes (approved July 24, 1945) which provides as follows:

"Sec. 1. No veteran entitled to benefits under the provisions of the 'Servicemen's Readjustment Act of 1944' * * * or under the provisions of Acts supplementary thereto or amendatory thereof, nor the spouse of any such veteran or spouse to be under disability to make any contract authorized by such law, nor shall any such contract made by such veteran or spouse be invalid or voidable by reason of the minority of such veteran or spouse."

This statutory provision removes the disability of minority in the case of any veteran who desires to enter a contract for a GI loan for a home, farm or business.

IMPORTANT ANNOUNCEMENT TO ALL HOME MAKERS . . .

Soft Water

IS NOW AVAILABLE TO EVERY HOME IN THE NORTHWEST
AREA ON A SERVICE BASIS

At last you can have Soft Water in your home
without any investment, bother or worry.

Have Wonder-Working Soft Water in Your Home . . .

Think of it! Water, softer than rain, without any trace of hardness . . . for bathing, shampooing, dishwashing, laundering, for all washing processes . . . on a Public Service Basis . . . just like electricity or the telephone. No equipment to buy . . . no work or worry on your part . . . we do everything for you!

The Savings are Greater
than the Cost

When you use hard water, you pay for soft water service without having it. Make us prove to you that the savings from our service are more than twice the cost. We'll show you how softened water will save over half the soap you now use in washing with hard water . . . how your clothes will look better and wear longer . . . how your plumbing repair bills and fuel costs for heating water will be reduced. Zero soft water not only cleans the lime and rust out of your water pipes and coils, but keeps them clean.

Don't put up with hard water troubles any longer . . . have Culligan Soft Water Service installed today.

**COSTS ONLY
\$250*
PER MONTH**

Here is our plan

Our business is soft water service. We install our service softener in your basement or utility room. We own the equipment and we take full care of it. It occupies only a very small space. It provides sparkling 100% soft water at a turn of the faucet without any investment or attention from anyone in the household. We exchange it for a fresh one at regular intervals, regenerating the old unit at our plant, NOT in your basement.

Owners of Barber Shops, Beauty Parlors, Restaurants, Filling Stations and Apartment Buildings—Investigate the economy, satisfaction and great improvement in your service gained from Soft Water—The Culligan Way.
*For Average Home.

- BATH**—Creamy, lasting suds that make you feel really clean, yet rinse off in a jiffy, are yours with softened water in your bath. Since soft water forms no soap "curds", there is no bath tub ring to discolor the tub.
- SHAMPOO**—A soft water shampoo with heaps of silky suds will bring thrilling new beauty to your hair. Soap rinses out completely . . . no dull film left, just a gorgeous gleam. Dad will love his soft water shaves, too . . . and his razor blades will last for twice as many shaves.
- DISHES**—Scads of foamy suds whisk grease away like magic. Dishes, glasses, silver, all sparkle and gleam like new. No need to dry them with a towel . . . softened water leaves no soap scum to smear, or lime to spot.
- CLOTHES**—All clothes and linens wash much cleaner in soft water. No disagreeable soap curds, formed by hard water, that won't rinse out and leave washables gray and dingy looking. Clothes last longer because there's less rubbing the soft water way.
- COOKING**—The calcium and magnesium salts in hard water make vegetables tough and dull-looking. Soft water cooking retains garden freshness. Soft water coffee and tea taste better and use about 1/4 less grounds. Softened water is better for drinking, too.
